---

I have been given a car allowance at work and have been to test drive a [used BMW X5](#) . My wife says we do not need a big engine, petrol guzzling, prestige car, but I do like the image. Big Motoring World Kent have a used BMW X5 7 seater for sale. This is ideal as we have two small children and a dog so we can comfortably pack everything into this vehicle, satisfying our family motoring needs. I will talk the wife around and I am sure she will be convinced after a test drive. All I need to do then is sort my car finance.
